

## **Deployment of SGSecure Furtropolis Characters Standees**

The animal characters standees featured in the SGSecure-themed preschool book "Ack! Furtropolis is under attack!" are available for schools' deployment. These standees can be deployed to support and enhance SGSecure initiatives, providing an interactive and engaging way for educators to promote safety awareness and engage young children in meaningful discussions. Additionally, the standees can be used for photo opportunities, adding an interactive element to the learning experience.

2. Please refer to **Annex B** for the template to request for standees deployment.
3. Please also refer to the following for FAQs on the standees deployment. If you have further enquiries, pls contact: Mr. Sharife ([Mohamed Nur Sharife Mohamed@mha.gov.sg](mailto:Mohamed Nur Sharife Mohamed@mha.gov.sg)) or Mr Kenneth Tan ([Kenneth Tan@mha.gov.sg](mailto:Kenneth Tan@mha.gov.sg))

<b>FAQs</b>
<b>Q: Do the standees need to be set up?</b> A: No set up is required for the standees. However, to ensure stability of the standees and prevent them from leaning forward or toppling over, we recommend that schools place a weighted object at the back of each standee. This added weight will help keep the standees securely upright, reducing the risk of accidents and ensuring they remain in place during use.
<b>Q: Are the standees waterproof?</b> A: The standees are not waterproof and intended for indoor use only.
<b>Q: What is the maximum duration that standees can be deployed for?</b> A: Each set includes 5 standee designs. The school may choose to deploy all 5 designs or select specific ones, and indicate their preferences in Annex B. Due to the limited availability of standee sets, we recommend that each school deploy the standees for a maximum of 3 days, including the date of delivery. This will help ensure that all schools have the opportunity to use them. We seek your understanding on this.
